# Agenda

- Introductions
- Scenario with User experience
- MDP - Vision
- Questions

# Introductions

- Raffeena Ali – Project Manager
- Pina Castelluzzo – Program Manager
- Hassnane Sajan – Chief Executive Officer

# Scenario

# Demo

- Transfer summary budget information to MCSS budget or Actual Template
- Export data file in sector-standard (DSSITP) format

# DSSITP

- Standard Developmental Services Sector Information Transfer Protocol (DSSITP) format
- Recognizable and usable by other Agencies and applications such as MDP

# Usability and Portability

- Import into other applications within your Organisation such as Accounting, Payroll etc.
- Share your files with other Organisations within the sector using a common format
- Import into MDP-RA to populate the Residential Budget view for recipients

# MDP - Residential Agency

Demo
