SHADOW LAKE

RELAX-NETWORK-LEARN

WELCOME

- Context to DSFG- who we are and our goal- share information, promote best practices, provide analysis and information to OASIS/CLO to help them with their advocacy
- OBRC- context, linkage and support
- meet 3-4 times a year- Fall, Spring, Summer
- Typically meet at CH and provide VC access. Fall meetings may be at Shadow Lake going forward
- Costs to participants- Voluntary contribution by agency of \$100/year to cover costs of food and any presenters we may have to pay
- Planning AND Resource Group- Brian Culter, Brian Sim-Little, Wendy Larman, April Papineau,, Rose Renaud, Casey Pruden, David Renfrew, Flavian Pinto,,
- Logistical support- Clara (CLT), Charles (CH)

WHY THIS FALL MEETING

- CH facility limited to smaller groups and limited parking but with VC- worked well for meetings
- Request by the majority in the sector for a venue where a larger group could meet once a year face to face and network

DSFG HOUSEKEEPING

- Washroom locations
- Food/Coffee location
- Shadow Lake right in front – relax learn Network and enjoy

DSFG MEETING FUND

- Started April 2012
- Proposed amount \$100 to cover 3-4 meetings a year
- Objective is to cover costs not covered by the \$500/meeting donated by OBRC and Pay for technical sessions where speakers charge fees
- We have about \$4000 in the fund which will cover the costs of this meeting

AGENDA ITEMS TODAY

- Project updates – VOR, supported banking, Data Transfer, MDP
- FOCUS –SAGE Financial reporter
- OBRC work-feedback on Q reports dates, Policy Manual
- New projects – requested by Provincial Network/ MCSS
- Focus sessions-Huronia settlements, OECM RFP ideas
- information sharing Q4 , property management, Individualized funding and transformation and taxation
- Opportunity to discuss, analyze, and engage during the meetings
- We hope you will relax, network and Learn

OBRC UPDATE

Objectives:

On behalf of OASIS, this committee will:

- Focus attention on business issues that will assist member agencies make informed decisions
- Provide a consistent voice to Ministry to effect efficient and consistent change through better business policies and practices
- To elevate the recognition of business practices within the sector

-

OBRC

Work Plan and update on work plan

- VOR-ongoing- next steps
- Will assist by acting as advisory to MDP projects
- Will assist CH by acting as advisory to data elements/transfer project
- New projects-network and MCSS
- Feedback to MCSS on Q report timelines
