

OASIS

Business Resource Committee

Work Plan 2014- 2015

It is with great pleasure that the Business Resource Committee submits this proposed work plan to the OASIS Board of Directors for approval.

This 2014-2015 work plan brings continuity to the projects started in 2012-2013, with additional emphasis on developing collective strategies regarding networking and information sharing.

AREAS OF FOCUS

1. Networking, Information sharing, and engaging with DS agencies in the sector
2. Networking, information sharing , tracking administrative and legislative initiatives and providing constructive feedback to ministries on behalf of DS agencies through OASIS

FOCUS	INITIATIVE	PROJECTS
Networking, Information sharing, and engaging with DS agencies in the sector	<ul style="list-style-type: none">• Sponsoring and engaging with DSFG• Sharing information through OASIS website• Flowing projects up and down through DSFG to ensure sector issues and feedback is reflected• Promoting sound business practices within DS sector in areas of finance and administration• Developing Social Enterprise options	<ul style="list-style-type: none">• Continue communication with the Ministry of Government Services to develop Vendors of Record for the DS sector• Continue collecting sector information on a quarterly basis to provide agencies with feedback to improve data quality• Continue to pursue RDSP options for individuals who are able to consent but have no plan holders, for individuals able to consent and do not have the designated family members to represent them, as well as those who cannot consent and have to go through the PGT• Update the Policy Options manual as required• Pursue connection with the Provincial Strategy on Social Enterprise group

Networking, information sharing , tracking administrative and legislative initiatives and providing constructive feedback to ministries on behalf of DS agencies through OASIS	<ul style="list-style-type: none"> Tracking administrative and legislative developments and their impact on DS agencies Using the analysis produced above to develop constructive feedback to ministry or government through OASIS 	<ul style="list-style-type: none"> Provide resource to the OASIS board with respect to the Ontario Fire Marshal's Act and any other issues with significant cost/staffing implications
