

Categories of MCCSS Approved Expenses

1. Materials required to manage COVID-19 related issues,
2. Backfilling for positions of people who are required to self-isolate or self quarantine,
3. Increased staffing needs for residential services if required,
4. Supporting the purchase of equipment, cleaning or sanitizing supplies, and/or to meet the increased need for expanded mobile services, i.e. cell phones and cellular data plans to support virtual service delivery.
5. The use of hotels or other measures as temporary/alternate accommodation for clients if required to support isolation/social distancing
