

## **Request for Proposal (RFP) - Government Advocacy and Strategic Communication**

### **Questions and Answers**

**Question:**

In the RFP document, it states that cost must not exceed \$7,000/month. Is this inclusive of admin fees and tax? Or is it inclusive of all costs and admin fee but excludes tax?

**Answer:**

This is inclusive of admin fees and tax. However, if there are unexpected one-time or non-recurring costs outside of the monthly recurring costs, we can discuss those on a one-off basis as they arise.
